SECTION 1 – INSTRUCTIONS AND INFORMATION FOR PROPOSERS

- I. You (hereinafter referred to as “Proposer”) are requested to submit a formal proposal (hereinafter referred to as “Proposal”) for the required services detailed in Attachment 2 (hereinafter referred to as “Scope of Services”) in accordance with this Request for Proposal (RFP). Any information in addition to that required by this RFP which Proposer feels will help in the evaluation of its Proposal is to be submitted with its Proposal. Any Proposal submitted must comply with the requirements of this RFP as herein stated including all applicable Federal, State and Local laws, and is to be signed by an officer legally authorized to bind Proposer to a Contract (hereinafter referred to as “Contract”) and shall be submitted to SEPTA in writing, in the time and in the manner described herein.

II. FORM OF PROPOSAL

The Proposal must address all items set forth in Attachment 2, “Scope of Services.”

- A. **Technical Proposal:** This shall include but not be limited to the following information:

1. A statement concerning Proposer’s interpretation of the Project objectives, and a description of the services as understood by the Proposer.

The services described by Proposer must be fully responsive to this RFP. Eliminations or qualifications by Proposer of performance of services required by this RFP may result in a Proposal being judged non-responsive.

2. A Project organization chart identifying Proposer’s manager of the Project and all other “key” personnel. SEPTA retains the right to reject or accept proposed Project personnel. Resumes shall be provided identifying the qualifications and experience of the manager of the Project and all key personnel. **Except as specified in Paragraph 6 of the attached Contract, SEPTA will not permit a change in the manager of the Project or key personnel after award, if any, to the successful proposing firm.**
3. If the Proposer is a joint venture, then a copy of any written agreement that exists between the members of each party to the joint venture shall be included as part of the Technical Proposal. Such agreement shall fully discuss and identify the responsibility of the joint venture for performing the services, provided, however, the joint venture must comply with Section 37 of the contract.

- B. **Price Proposal:** The price to SEPTA for performing all of the SEPTA required Scope of Services must be detailed in the Price Proposal. **The Price Proposal will be submitted to SEPTA as a SEPARATE DOCUMENT IN A SEALED ENVELOPE.** Price Proposals which exclude or restrict cost items necessary for

a Proposer to perform the SEPTA required Scope of Services are not acceptable and may be considered by SEPTA as non-responsive to the RFP.

1. The Price Proposal shall be submitted using the form included in Attachment 3 along with any other additional information required to make it complete.
2. **The requirements of this RFP should be carefully reviewed by Proposer prior to preparation of its Price Proposal. In preparation of its Price Proposal, Proposer must assume that SEPTA will not make modifications to the terms of the Contract as attached.**

III. RESPONSIBILITY OF PROPOSER

SEPTA will only award a contract to a firm which it has determined to be responsible. **James V. Lemongelli
Manager - Contract Administration
Procurement, Supply Chain & DBE Division
Southeastern Pennsylvania Transportation Authority
1234 Market Street, 11th Floor
Philadelphia, PA 19107-3780**

B. **DISADVANTAGED BUSINESS ENTERPRISE (DBE) GOAL**

No Goal(s) Established – No Goal has been established for this procurement. If the successful Proposer will be using a DBE subcontractor in conjunction with the contract, the Proposer must include the properly executed DBE Participation Schedule with their Technical Proposal. Please refer to the DBE section, Attachment 6.

C. **SEPTA SOLICITATION STATISTICS SURVEY FOR DBE and NON-DBE CONTRACTOR/CONSULTANT AND SUB-ONTRACTOR/SUBCONSULTANT FORM**

All Proposers are required to complete a SEPTA Solicitation Statistics Survey (See Attachment 7) for themselves and each of their DBE and non-DBE subcontractors/subconsultants in accordance with 49 CFR part 26.11. The form is to be signed by an officer legally authorized to bind the Proposer to a Contract and shall be submitted to SEPTA as part of their proposal.

D. **RIGHTS RESERVED BY SEPTA**

In submitting the proposal the Proposer understands that the right is reserved by SEPTA to reject any and all proposals and/or to negotiate separately with any firm in any manner deemed appropriate to serve its best interest. If any award of Contract is made as a result of these Proposals, it will be made on the basis of the Proposal(s) which best satisfied the intent of the RFP and other factors considered in the best interest of SEPTA. SEPTA is not liable for any expenses incurred by Proposers in the development of its Proposal or any subsequent activity related to the Proposal.

It is also understood and agreed that if the Proposer should withdraw any part or all of its proposal within ninety (90) calendar days after the Best and Final Offer (BAFO) without the consent of SEPTA, or shall refuse or be unable to enter into the Contract as provided with these documents, it shall be liable to SEPTA to the extent of SEPTA’s damages occasioned by such withdrawal, or refusal, or inability to enter to a contract.

E. MODIFICATIONS TO SEPTA'S CONTRACT TERMS

If an award of a Contract is made as a result of this RFP, SEPTA's Contract terms (**which the selected Proposer will be required to incorporate into their Power Purchase Agreement and execute**) are attached to this RFP (Part II), and as such the Proposers are urged to review the Contract terms carefully. **SEPTA may, at its sole discretion consider minor modifications to SEPTA's contract terms. The Proposer must specifically request such modifications by providing the proposed language within the Questions & Answers phase. Any minor modifications submitted will be reviewed and either denied or accepted by SEPTA. Any subsequent requests for modifications to SEPTA's terms may result in the proposal being deemed non-responsive and may lead to canceling any recommendation to award to a Proposer that makes such a request outside of the allotted period.** Prospective proposers must submit a draft Power Purchase Agreement with their Technical Proposal which incorporates SEPTA's terms (as amended during the Question & Answer phase) for SEPTA's consideration which will be subject to negotiation.

The Contract requires that all tasks described in the RFP and/or Proposal shall be the Proposer's sole responsibility and shall be performed by the Proposer and its subcontractors/subconsultants. As a result of the negotiation process (see RFP Section 2, "Selection Process"), SEPTA may elect to revise the services described in the RFP and the Proposal. The single document as amended through Addenda and negotiations shall then become an Attachment to the Contract instead of the RFP and Proposal. SEPTA expressly reserves the right to approve and/or modify, at its sole discretion, both form and substance of any written Contract entered into pursuant to this RFP.

F. INSURANCE

Proposer and its subcontractor(s)/subconsultant(s) shall be required to provide, at their own cost and expense the insurance required in the Contract.

G. PERFORMANCE EVALUATION

During the performance of the work, SEPTA will conduct at a minimum annually, a formal performance evaluation of the Contract (See Attachment 8).

H. TAXES

Proposer, as a result of any contract entered into pursuant to this RFP, may be subject to certain business taxes imposed by, but not limited to, municipal, school district, Commonwealth of Pennsylvania and/or the Federal government.

As to the sales tax imposed by the Commonwealth and some municipalities, Proposer is directed to the provisions in Pennsylvania law found at 72 P.S. 72 §7201 et seq. SEPTA makes no representation that these statutes are the only relevant statutes that apply to this Request for Proposal.

Proposer acknowledges that nothing in this RFP constitutes legal advice by SEPTA thereon. Proposer, to whatever extent that Proposer deems necessary, must obtain its own legal advice on any question concerning relevant taxes. Proposer is responsible for making its own investigation to determine whether or not it is subject to municipal, school district, Commonwealth of Pennsylvania or Federal taxes and for paying for such tax if applicable. Proposers are hereby informed that SEPTA is obligated by law to furnish to governmental entities, upon their request, the name and address of any person or firm with whom SEPTA has a contract for goods and/or services.

I. PROPOSAL SECURITY – Not Used

J. DISCREPANCIES – DUTY OF PROPOSER TO CLARIFY AMBIGUITIES

Should a Proposer find any discrepancy or ambiguity, or omission from the Scope of Services, or should it be in doubt as to their meaning, the Proposer must at once notify SEPTA's Contract Administrator who will, if determined to be necessary, send a written addendum for clarification purposes to all Proposers. Only written modifications issued as addenda will effect changes in the RFP and/or Contract Documents. Failure of Proposer to clarify ambiguities prior to proposal submittal constitutes a waiver of their right to raise any such ambiguity.

K. ADDENDA

The contents of all addenda to Proposers are to be incorporated in the proposal and will become part of the RFP and/or Contract Documents.

L. CERTIFICATION REGARDING LOBBYING

By signing and submitting a proposal, the Proposer agrees to furnish the Certification Regarding Lobbying. The signed Certification may be submitted concurrent with the submission of the Technical Proposal. If the Certification is not submitted along with the Technical Proposal, it shall be submitted within five (5) calendar days of proposal submittal, unless SEPTA grants, in writing, an extension (See Attachment 5).

The signed Certification must be submitted with the submission of the technical proposal (See Attachment 9).

N. NON-COLLUSION REQUIREMENT

In the event Proposer is recommended to the SEPTA Board for award, the Proposer hereby agrees to sign an Affidavit of Non-Collusion, if requested by SEPTA, in form acceptable to SEPTA prior to the award, if any, of the contract.

This procedure is applicable to all procurements in excess of \$100,000. 2.0 DEFINITIONS

- 2.1 "Interested Party" means any bidders/proposers.
- 2.2 "Days" means business days.
- 2.3 "Filed" means the date of receipt by The Office of SEPTA's Assistant General Manager of Procurement, Supply Chain & DBE of Procurement or his/her designee (hereinafter Assistant General Manager of Procurement, Supply Chain & DBE of Procurement).
- 2.4 "Federal/State Law or Regulation" means any valid requirement imposed by Federal, State, or other Statute or regulation.
- 2.5 "Presumptive Contractor" means the bidder/proposer that is in line for award of the contract in the event that the protest is denied.
- 2.6 "Protestant" is an Interested Party who is aggrieved in connection with the solicitation or award of a contract and who files a protest.

3.0 TYPES OF PROTESTS/ TIME LIMITS

- 3.1 Pre-Bid/Proposal Protest is based upon alleged restrictive specifications or alleged improprieties in SEPTA's procurement process. A Protestant must file a pre-bid/proposal protest no later than five (5) days prior to the due date for submission of proposals by 4:30 p.m. Philadelphia prevailing time.
- 3.2 Pre-Award Protest is based upon alleged improprieties of a Bid/Proposal. A Protestant must file a pre-award protest no later than five (5) days after the Protestant knows or should have known of the facts giving rise thereto by 4:30 p.m. Philadelphia prevailing time.
- 3.3 Post-Award Protest is based upon the award of a contract. A Protestant must file a post-award protest no later than five (5) days after the notification to the unsuccessful firms of SEPTA's intent to award, or no later than five (5) days after an unsuccessful firm becomes aware of SEPTA's intent to award a contract, whichever comes first, by 4:30 p.m. Philadelphia prevailing time.

4.0 CONTENTS OF PROTEST

4.1 Protests must be in writing, and filed directly with the Office of SEPTA's Assistant General Manager of Procurement, Supply Chain & DBE of Procurement, at the address indicated in the solicitation, and must contain the following information:

- a. The name, address and telephone number of the Protester; and
- b. Identity of the IFB or RFP (by number and description); and
- c. A detailed factual statement of the grounds for protest; and
- d. The desired relief, action or ruling.

5.0 ACTION BY SEPTA

5.1 Procurement Process Status

Upon timely receipt of a protest, SEPTA will delay the opening of bids until after resolution of the protest for protests filed prior to the bid opening, or withhold award until after resolution of the protest for protests filed after bid opening. However, SEPTA may open bids or award a contract whenever SEPTA, at its sole discretion, determines that:

- a. The items or work to be procured are urgently required; or
- b. Delivery or performance will be unduly delayed by failure to make the award promptly; or
- c. Failure to make prompt award will otherwise cause undue harm to SEPTA or a funding source.

If the protest is filed before the award of the contract, SEPTA will advise the Presumptive Contractor of the pending protest.

5.2 If deemed appropriate, SEPTA may conduct an informal conference on the merits of the protest with all Interested Parties invited to attend.

5.3 Response to the Protest

SEPTA's Assistant General Manager of Procurement, Supply Chain & DBE of Procurement will respond in detail to each substantive issue raised in the protest within a reasonable time after the protest is filed. SEPTA's response shall address only the issues raised originally by the Protester.

When, on its face a protest does not state a valid basis for protest or is untimely, the Assistant General Manager of Procurement, Supply Chain & DBE of Procurement may summarily dismiss the protest without requiring a detailed response.

5.4 Rebuttal to SEPTA Response

The Protestant may submit a written rebuttal to SEPTA's response, addressed to the Assistant General Manager of Procurement, Supply Chain & DBE of Procurement, but must do so within five (5) days after receipt of the original SEPTA response. SEPTA will not address new issues raised in the rebuttal. After receipt of the Protestant's rebuttal, the Assistant General Manager of Procurement, Supply Chain & DBE of Procurement will review the protest and notify the Protestant of his/her final decision.

5.5 Request for Additional Information

Failure of the Protestant to comply with a request for information as specified by SEPTA's Assistant General Manager of Procurement, Supply Chain & DBE of Procurement, may result in determination of the protest without consideration of the additional information if subsequently produced. If any Interested Party requests information from another Interested Party, the request shall be made to SEPTA's Assistant General Manager of Procurement, Supply Chain & DBE of Procurement, and, if SEPTA so directs, shall be complied with by the other party within five (5) days.

5.6 Request for Reconsideration

If data becomes available that was not previously known, or there has been an error of law, a Protestant may submit a request for reconsideration of the protest. SEPTA's Assistant General Manager of Procurement, Supply Chain & DBE of Procurement will again review the protest considering all currently available information. The Assistant General Manager of Procurement, Supply Chain & DBE of Procurement's determination will be made within a reasonable period of time, and his/her decision will be considered final.

5.7 Decision

Upon review and consideration of all relevant information the determination as issued by SEPTA will be final.

6.0 CONFIDENTIALITY OF PROTEST

Material submitted by a Protestant will not be withheld from any Interested Party, except to the extent that the withholding of information is permitted or required by law or regulation. If the Protestant considers that the protest contains proprietary material which should be withheld, a statement advising of this fact must be affixed to the front page of the protest submission and the allegedly protected information must be so identified whenever it appears.

7.0 FEDERAL TRANSIT ADMINISTRATION (FTA) INVOLVEMENT

Where procurements are funded by the FTA within five (5) business days from receipt of SEPTA's final decision, the Protestant may file a protest with the FTA only where the protest alleges that SEPTA failed to have or failed to adhere to its protest procedures or there was a violation of Federal Law or Regulation. Any protest to the FTA must be filed in accordance with FTA Circular 4220.1F.

SECTION 2 – SELECTION PROCESS

I. TECHNICAL EVALUATION CRITERIA

The following criteria in descending order of importance will be used for the evaluation of Proposals according to SEPTA Procedures:

- A. **Price and Financial Capacity to Perform** – The Net Present Value (NPV) as calculated in the model provided for the Price Proposal, evaluation of information contained in the Price Proposal and the Proposer’s financial strength, stability and credit worthiness.
- B. **Technical Approach and Project Management** - Proposers technical approach to the requirements of the scope of work including system design, operation and management.
- C. **Experience and Past Performance of Firm** - Proposer’s experience in successfully completing contracts of similar size and scope to those required by this RFP, including the management and other key staff assigned to the project with emphasis upon documented experience and adding projects to the region.
- D. **Location** – Project must be located in PJM territory.

II. SELECTION

- A. SEPTA shall create a Selection Committee, composed of several SEPTA staff members which shall independently evaluate each Proposal on the evaluation criteria based upon the application of adjectival ratings. The standards and qualifications that follow have been developed to serve as indicators of expected performance or compliance with the requirements of the RFP. SEPTA may seek the assistance of external experts and/or consultants during the evaluation process. The adjectival ratings are as follows:

Superior: Exceeds in all or most aspects the minimum requirements of the RFP. Offers solutions and responses to the Scope of Services that have a high probability of success. Provides cost effective advantages for the program and SEPTA. Response requires no modifications to conform and comply with the critical elements of the RFP.

Very Good: Meets in all aspects and in some cases exceeds the minimum requirements of the RFP. Offers solutions and responses to the Scope of Services that have a high probability of success. Provides cost effective advantages for the program and SEPTA. No

significant weaknesses or deficiencies. Response requires little or no modifications to conform and comply with the critical elements of the RFP.

- Acceptable: Meets the minimum requirements of the RFP; Responses and solutions offer no significant advantages; reasonable probability of success; Weakness and/or deficiencies require some modifications to conform and comply with the critical elements of the RFP.
- Marginal: Responses and solutions to the Scope of Services provide minimum probability of success. Significant weaknesses and deficiencies in the responses and solutions offered. Responses require significant modifications to conform and comply with the requirements of the RFP.
- Unacceptable: Responses and solutions fail to meet the minimum requirements of the RFP. Information provided is insufficient to evaluate the response. Major revisions required to cure deficiencies.

These adjectival ratings are only guides to assist SEPTA in evaluating Proposals, and they do not mandate the automatic selection of a particular Proposal.

- B. After making an evaluation of the technical proposals on the basis of the criteria set forth above, SEPTA may conduct interviews and request and receive additional information as it deems necessary from any Proposer deemed to be responsive to the RFP. If interviews are conducted, Proposers who are deemed to be non-responsive and/or have no reasonable chance of being selected will not be interviewed.
- C. After all Proposals have been evaluated in accordance with the criteria set forth above, if any Proposal is determined to be acceptable based on the Technical Evaluation, and interviews (if conducted), SEPTA may, without discussion or negotiation, proceed to award the Contract to that firm.
- D. However, if no Proposal is acceptable without negotiation, those firms whose Proposals are determined by SEPTA to be within the competitive range may be contacted by letter from SEPTA to formally schedule negotiations. Competitive range will be determined by SEPTA and will consist of those firms whose proposals are determined to have a reasonable chance of being selected for award based on the evaluation.
- E. No information, financial or otherwise, will be provided to any Proposer about any Proposals from other Proposers.
- F. After all negotiations and discussions have been completed, each of the Proposers within the competitive range with whom negotiations have been conducted will be afforded the opportunity to submit a BEST AND FINAL OFFER (BAFO) The BAFO shall be each Proposer's most favorable Price Proposal for the Technical Proposal and business/contractual terms which have been clarified and agreed upon

during discussions and negotiations. The request for BAFOs will set forth the specific time and date for the submission of the BAFO. The BAFO will be evaluated by SEPTA.

III. AWARD

- A. As stated in Section I, Paragraph IV (General Requirements), E (Modifications to SEPTA's Form of Contract) if any Proposer fails to submit minor modifications during the Questions & Answers phase and attempts to submit them subsequently may result in the proposal being deemed non-responsive. SEPTA may cancel a recommendation to award to a firm that makes such requests outside the allotted period.
- B. SEPTA will make an award, if any, only to a firm that has been determined by SEPTA to be fully responsive and responsible to the RFP requirements, while taking into consideration the staff's evaluation of the Technical Proposals, interviews (if conducted), and the BAFO. A recommendation to the SEPTA Board will be made of the firm that is the most advantageous to SEPTA.

Contractor/Consultant agrees to complete performance of all services required by the Contract documents at a total cost to SEPTA not to exceed Dollars _____ (\$ _____) which shall be in accordance with pricing submitted in Attachment #3 "Price Proposal" or Best & Final Offer (BAFO), if applicable. Said total cost to SEPTA hereinafter referred to as "Total Contract Price."

9. Method of Payment

- a. To obtain payment of a portion of the Total Contract Price, Contractor/Consultant may submit to SEPTA, not more than once each calendar month, an invoice for payment for services rendered in the preceding month, in such form and reasonable detail as SEPTA may require. Such invoices shall not be for amounts inconsistent with the actual physical progress of the services Contractor/Consultant has performed on the Project as determined by SEPTA's Project Representatives. If the Contractor/Consultant uses a DBE, each invoice shall include a DBE Invoice Payment Report (a sample copy of the DBE Invoice Payment Report is attached to the Contract). In each invoice Contractor/Consultant shall:
 - (1) Certify that all services described were performed in conformity with the terms of the Contract and that it is entitled to receive the amounts specified under the terms of the Contract in accordance with said description.
- b. Payments due to Contractor/Consultant under the Contract shall be made within thirty (30) calendar days after written approval of Contractor/Consultant's invoice by SEPTA's Project Representatives.

Contractor/Consultant shall keep written records in reasonable detail of all services performed by it under the Contract. All written records, reports, work sheets, data, and information prepared, generated, or obtained in connection with Contractor/Consultant's performance of services for SEPTA shall be made available during the term of the Contract and for a period of five (5) years thereafter, together with all books and other data or information, in whatever form contained, relating to Contractor/Consultant's performance under the Contract. Contractor/Consultant shall permit the audit and examination of the aforementioned material, including the making of excerpts and transcriptions, by appropriate officers or representatives of SEPTA and any governmental funding agency providing financial assistance for the Project, including the United States Department of Transportation, the Office of the Comptroller General of the United States, and the Pennsylvania Department of Transportation.

Contractor/Consultant shall require its subcontractor/subconsultants to keep written records in reasonable detail of all services performed by them for Contractor/Consultant under the Contract and to maintain all books, data, information and records in a form that will support the invoice billed to Contractor/Consultant. Contractor/Consultant shall further require that all written records, reports, work sheets, data, and information prepared, generated, or obtained in connection with such subcontractor's/subconsultant's performance of services for Contractor/Consultant shall be made available during the term of the Contract and for a period of five (5) years thereafter to SEPTA, together with all books and other data or information, in whatever form contained, relating to such subcontractor's/subconsultant's performance for Contractor/Consultant.

Contractor/Consultant shall remit the amount of the overpayment to SEPTA within thirty (30) calendar days of said notification or notify SEPTA of its disagreement. If Contractor/Consultant does not agree with SEPTA's determination, it shall follow the dispute process outlined in Paragraph 31, "Disputes."

Further, during the term of the Contract and thereafter for a minimum period of three (3) years after the services, Contractor/Consultant shall not use or disclose such information for any purpose (or permit its usage or disclosure by others under Contractor/Consultant's supervision or direction) except to the extent necessary to perform services under the Contract, unless Contractor/Consultant can demonstrate to the satisfaction of SEPTA that such information was actually known to Contractor/Consultant prior to the Contract or was independently and properly obtained or developed by Contractor/Consultant apart from any connection with SEPTA or its employees, directly or indirectly, without breach of any confidential relationship or was publicly available. Contractor/Consultant, through the use of employment contracts and other legally acceptable methods, shall ensure that during the term of the Contract and for three (3) years after the services, none of its employees or former employees accept any employment or assignment which uses any of the information developed in connection with this Project.

13. Data to Become Property of SEPTA

All data, notes and other works developed in the performance of the Contract shall become the sole property of SEPTA and may be used on any other Project without additional compensation to Contractor/Consultant. Contractor/Consultant agrees not to assert or authorize others to assert any rights nor establish any claim under the design patent or copyright laws. Contractor/Consultant, for a period of three years after completion of the Project, agrees to furnish all retained works on the request of SEPTA's Project Representative. Unless otherwise provided in the Contract, Contractor/Consultant shall have the right to retain copies of all works beyond such period.

14. Interest of Contractor/Consultant

Contractor/Consultant agrees, for itself and its employees involved in this Project, that it has no interest and shall not acquire any interest, direct or indirect, including any business interest or other pecuniary or beneficial interest which would conflict in any way whatsoever with performance of services in connection with the Project. In addition, Contractor/Consultant is hereby referred to the provisions of Paragraph 6 "Personnel To Be Used in Providing Services," of the Contract.

15. Assignment of Rights, Delegation of Duties Restricted

Contractor/Consultant shall not assign any rights arising under the Contract without the prior written consent of SEPTA. Contractor/Consultant shall not delegate, without the prior written consent of SEPTA, any duties in performance of services under the Contract.

Beyond those subcontractors/subconsultants proposed by the Contractor/Consultant and made part of the Contract, Contractor/Consultant shall not subcontract any portion of the services which are the subject of the Contract without the prior written consent of SEPTA. Contractor/Consultant agrees to be fully liable and responsible for the acts and omissions of subcontractors and subconsultants just as Contractor/Consultant is for the acts and omissions of persons employed by Contractor/Consultant.

b. Award of Subcontracts and Other Contracts for Portion of the Work

(1) Any new or additional or substituted subcontractor/subconsultant proposed by Consultant after the award shall be subject to the prior written approval of SEPTA's Project Representative.

(2) Consultant shall not make any substitution of any subcontractor/subconsultant or for any person or organization that has been previously accepted by SEPTA as part of the Contract unless and until requested to do so by SEPTA and/or unless such substitution is expressly approved by SEPTA in writing. No increase in total contract price shall be allowed for any such substitution.

c. Subconsultant/Subcontractor Relations

The Contractor/Consultant shall deal with each Subcontractor/Subconsultant in accordance with the terms and conditions of a written Contract between the Contractor/Consultant and such Subcontractor/Subconsultant. Said written Contract shall not be inconsistent with any term or condition of the Contract, shall include all terms and conditions required by the Contract and shall in every respect protect SEPTA's interests in the Work and the conduct thereof.

In the absence of good and sufficient reasons, within twenty (20) calendar days of the receipt of payment from SEPTA by the Contractor/Consultant, the Contractor/Consultant shall pay each Subcontractor/Subconsultant with whom it has contracted their earned share of the payment the Contractor/Consultant received. In addition, Contractor/Consultant shall pay its Subconsultant(s)/Subcontractor(s) any retainage Contractor/Consultant has withheld from its Subconsultant(s)/Subcontractor(s) within twenty (20) calendar days after a Subconsultant's/Subcontractor's work is satisfactorily completed.

With regard to any claim or dispute with respect to payment of a subconsultant or subcontractor, or supplier at any tier, Contractor/Consultant expressly agrees to defend, indemnify and hold SEPTA harmless in the event any suit is brought on account of a dispute between any of the parties including but not limited to subconsultants, subcontractors, suppliers and materialmen and in particular, Contractor/Consultant shall assume the defense affirmatively at its sole cost whenever such suit is brought in any jurisdiction.

- a. The services set forth in Attachments 1 through 11 of the Contract may be reduced, modified or expanded within or beyond the scope of the Contract by written modifications executed by SEPTA and Contractor/Consultant.

Except as provided in paragraph "b" below, in the event that SEPTA requires a reduction, expansion, or modification of the services, SEPTA shall issue to Contractor/Consultant a written notification which specifies such reduction, expansion, or modification. Within fifteen (15) calendar days after receipt of the written notification, Contractor/Consultant shall provide SEPTA's Contract Administrator with a detailed price and schedule proposal for the services to be performed or to be reduced. This proposal may be accepted or rejected by SEPTA or modified by negotiations between Contractor/Consultant and SEPTA. A written Amendment to the Contract shall be executed by both parties.

- b. Notwithstanding paragraph "a" above, SEPTA may at any time, by written order, make changes within the general scope of the Contract to the services to be performed by Contractor/Consultant. If any such change causes an increase or decrease in the price of, or the time required for, the performance of any portion of the services under the Contract, SEPTA's Contract Administrator shall make equitable adjustment in any one or more of the following: price; completion schedule; or other affected terms; and shall modify the Contract in writing accordingly. Any claim by Contractor/Consultant for adjustment under this paragraph must be asserted within thirty (30) calendar days from the date of receipt by Contractor/Consultant of the notification of change; provided however that SEPTA's Contract Administrator, if the Contract Administrator decides that the facts justify such actions, may receive and act upon such claim at any time prior

to final payment under the Contract. Failure to agree to any adjustment shall be a dispute within the meaning of Paragraph 31 Disputes. However, nothing in this paragraph shall excuse Contractor/Consultant from proceeding with the Contract as changed.

- c. No services for which an additional amount will be charged by Contractor/Consultant shall be furnished without the prior express written authorization of SEPTA's Contract Administrator.

19. Infringement of Patents, Trademarks and Copyrights

Contractor/Consultant shall defend, indemnify and save harmless SEPTA, its Board Members, officers, agents, servants, workers, employees, subsidizers and indemnittees from liability of any kind and will pay all costs and expenses, including consequential damages, for or on account of or existing from any infringement or violation or alleged violation of any patent, trademark and/or copyright or any right of any person, firm or corporation resulting from any act, omission or negligence on the part of Contractor/Consultant in performance of the Contract.

20. Covenant Against Contingent Fees

Contractor/Consultant hereby warrants that it has not employed or retained any company or person other than a bona fide employee working for Contractor/Consultant solely to solicit or secure the Contract and that it has not paid or agreed to pay any person or company other than a bona fide employee working solely for Contractor/Consultant, any fee, commission, percent or brokerage fee, gift or other consideration contingent upon or resulting from the award or making of the Contract. In the event of breach or violation of this warrant, SEPTA shall have the right to terminate the Contract without further liability to Contractor/Consultant or to any third party.

21. Termination for Convenience of SEPTA

SEPTA shall have the right to terminate the Contract, in whole or in part, at any time by written notice to the Contractor/Consultant. The Contractor/Consultant shall be paid all reasonable costs as determined by SEPTA in accordance with 48 CFR Subpart 31.2, that specifies the special treatment of certain costs under Subpart 31.2, Section 31.205-42, "Termination Costs."

Such costs will include contract work performed up to the date of termination; any actual costs associated with termination for convenience, as agreed to by SEPTA; and profit on Work performed up to the time of termination. However, the agreed amount may not exceed the Contract Sum. Furthermore, SEPTA will not pay any anticipatory profits and/or consequential damages claimed by the Contractor/Consultant as a result of termination of the Contract. The amount of profit paid shall be determined by the parties based on the amount of actual work completed. The Contractor/Consultant shall submit promptly its termination claim to SEPTA and SEPTA shall determine the settlement amount to be paid the Contractor/Consultant. If the Contractor/Consultant has any property in its possession belonging to SEPTA, the Contractor/Consultant shall account for same and dispose of it in the manner SEPTA directs.

22. Termination of Contract for Cause

If Contractor/Consultant fails to remedy to SEPTA's satisfaction the breach or default of any of the terms, covenants, or conditions of the Contract within ten (10) calendar days after receipt by Contractor/Consultant of written notice from SEPTA setting forth the nature of said breach or default and/or if the Contractor/Consultant is suspended or debarred by any federal agency or by the Commonwealth of Pennsylvania, SEPTA shall have the right to terminate the Contract without any further obligation to Contractor/Consultant. Any such termination for cause shall not in any way operate to preclude SEPTA from also pursuing all available remedies against Contractor/Consultant.

In the event that SEPTA elects to waive its remedies for any breach by Contractor/Consultant of any covenant, term or condition of the Contract, such waiver by SEPTA shall not limit SEPTA's remedies for any succeeding breach of that or of any other term, covenant, or condition of the Contract.

In the event that it is ultimately determined by SEPTA that the Contractor/Consultant was not in default or that the failure to perform arose out of causes beyond the control and without fault of the Contractor/Consultant, the termination shall be treated as one of convenience and the Contractor/Consultant's sole rights and exclusive remedies shall be those set forth in Paragraph 21.

The Contractor/Consultant will only be paid the contract price for supplies delivered and accepted, or services performed in accordance with the manner of performance set forth in the contract.

SCOPE OF SERVICES

BACKGROUND & PROJECT OBJECTIVE

A commitment of SEPTA's 2018 Energy Action Plan is to explore the feasibility of increasing the proportion of renewable energy as a share of SEPTA's total electricity consumption. SEPTA is issuing this Request for Proposal ("RFP") for electricity and renewable energy certificates ("RECs") to be generated by a wind, solar or other renewable energy plant, as defined by the PA Public Utility Commission ("PUC") http://www.puc.pa.gov/consumer_info/electricity/renewable_energy.aspx. SEPTA is interested acquiring RECs to be sold at market price or be voluntarily retired.

SEPTA's annual electricity consumption is approximately 380,000 MWh. This includes SEPTA's headquarters office building, depots, and other facilities as well as electrified transit service across commuter rail, heavy rail, light rail, trolley bus, and facilities throughout Southeastern Pennsylvania. Additional electricity is purchased for a portion of SEPTA's Regional Rail network from Amtrak. Total annual electricity consumption, including Amtrak purchases, is approximately 480,000 MWh.

For the purposes of this RFP, SEPTA seeks to purchase renewable energy to meet between 38,000 – 76,000 MWh (10-20%) of SEPTA's energy needs beginning in November 2019 and subsequent years, for terms of 10 to 20 years. SEPTA is only interested in offtake of power from off-site renewable energy sources from proposers who currently own, are developing, or propose to develop.

SEPTA invites interested parties to respond with information regarding off-site renewable energy power-purchasing agreement (PPA) structures for projects that are:

- Budget Neutral.
- Multi-megawatt. (Minimum of 2 megawatts)
- Located within the PJM territory.

SEPTA is **not** interested in projects that are:

- Sited on SEPTA property or assets.
- Otherwise located on the load side of a SEPTA premise electric meter.

Proposers are encouraged to describe all factors considered relevant to each Proposer's ability to deliver the Project. Proposers must attest to the origin of the power.

SEPTA's ENERGY PROCUREMENT OVERVIEW

SEPTA currently purchases electricity from a third-party supplier through a competitive multi-year contract. PECO Energy is SEPTA's primary local distribution company (LDC). SEPTA currently has a supplier contract with Constellation Energy Inc., through the first meter read dates in November 2019. SEPTA is seeking to have delivery of renewable energy by November 2019 when SEPTA's new supplier contract is scheduled to begin.

This RFP seeks Proposers willing to supply SEPTA with renewable energy under a long-term power purchase agreement (PPA) from one or more renewable energy plants located within the PJM territory. Additionally, SEPTA intends to acquire the RECs from the output and either sell at market price or voluntarily retire the RECs.

SEPTA is interested in projects that are budget neutral and add budget certainty to SEPTA's electricity costs. SEPTA is interested in purchasing the energy and associated RECs annually starting November 2019 or soon thereafter.

FEDERAL TRANSIT ADMINISTRATION (FTA) REQUIRED PROVISIONS FOR CONTRACTS

EEO/AA Contractual Requirements

In connection with the performance of the Contract, the Contractor shall not discriminate against any employee or applicant for employment because of race, color, age, creed, religion, sex or national origin. The Contractor shall take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, creed, religion, sex, age or national origin. Such action shall include, but not be limited to, the following: employment, upgrading, demotion or transfer; recruitment or recruitment advertising, layoff or termination; rate of pay or other forms of compensation; and selection for training, including apprenticeship.

Section C - U.S. Department Of Transportation Nondiscrimination Requirements

During the performance of the Contract, the Contractor, for itself, its assignees and successors in interest (hereinafter referred to as the "Contractor") agrees as follows:

1. **Compliance with Regulations.** The Contractor shall comply with the Regulations relative to nondiscrimination in federally-assisted programs of the Department of Transportation (hereinafter "DOT") Title 49, Code of Federal Regulations, Part 21, as they may be amended from time to time (hereinafter referred to as the Regulations), which are herein incorporated by reference and made a part of the Contract.
2. **Nondiscrimination.** The Contractor, with regard to the work performed by it during the Contract, shall not discriminate on the grounds of race, religion, color, sex, age or national origin in the selection and retention of subcontractors, including procurements of materials and leases of equipment. The Contractor shall not participate either directly or indirectly in the discrimination prohibited by Section 21.5 of the Regulations, including employment practices when the Contract covers a program set forth in Appendix B of the Regulations.
3. **Solicitations for Subcontractors, Including Procurement of Materials and Equipment.** In all solicitations either by competitive bidding or negotiation made by the Contractor for work to be performed under a subcontract, including procurements of materials or leases of equipment, each potential subcontractor or supplier shall be notified by the Contractor of the Contractor's obligations under the Contract and the Regulations relative to nondiscrimination on the grounds of race, religion, color, sex, age or national origin.
4. **Information and Reports.** The Contractor shall provide all information and reports required by the Regulations or directives issued pursuant thereto, and shall permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by SEPTA or the FTA to be pertinent to ascertain compliance with such Regulations, orders and instructions. Where any information required of a Contractor is in the exclusive possession of another who fails or refuses to furnish this information, the Contractor shall so certify to SEPTA, or the FTA, as appropriate, and shall set forth what efforts it has made to obtain the information.

5. **Sanctions for Noncompliance.** In the event of the Contractor's noncompliance with the nondiscrimination provisions of the Contract, SEPTA shall impose such contract sanctions as it or the FTA may determine to be appropriate, including but not limited to:
- a. Withholding of payments to the Contractor under the Contract until the Contractor complies, and/or
 - b. Cancellation, termination or suspension of the Contract, in whole or in part.

Restrictions on Lobbying
(If Contract Sum exceeds \$100,000)

1. Certification Requirements

Contractors, at any tier, who apply or bid for a contract of \$100,000 or more, shall file the certification required by 49 CFR part 20, "New Restrictions on Lobbying". Each tier certifies to the tier above that it will not and has not used federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, or an employee of a member of Congress in connection with obtaining any federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier shall also disclose any lobbying with non-federal funds that takes place in connection with obtaining any federal award. Such disclosures are forwarded from tier to tier up to SEPTA.

2. Disclosure Requirements

- a. Each contractor who requests and receives from SEPTA a Federal contract shall file with SEPTA a disclosure form, Standard Form - LLL, "Disclosure of Lobbying Activities," as set forth on pages 41 through 43 of this Contract, if such contractor has made or has agreed to make any payment using non-appropriated funds (to include profits from any covered federal action), which would be prohibited under 49 CFR part 20 if paid for with appropriated funds.
- b. Each contractor shall file a disclosure form at the end of each calendar quarter in which there occurs any event that requires disclosure or that materially affects the accuracy of the information contained in any disclosure form previously filed by such contractor under paragraph 2.a. of this section. An event that materially affects the accuracy of the information reported includes:
 - (1) A cumulative increase of \$25,000 or more in the amount paid or expected to be paid for influencing or attempting to influence a covered Federal action; or
 - (2) A change in the person(s) or individual(s) influencing or attempting to influence a covered Federal action; or,
 - (3) A change in the officer(s), employee(s), or Member(s) contacted to influence or attempt to influence a covered Federal action.
- c. Any person who requests or receives from a contractor referred to in paragraph 2.a. of this section a subcontract exceeding \$100,000 at any tier under a Federal contract shall file a certification, and a disclosure form, if required, to the next tier above.
- d. All disclosure forms, but not certifications, shall be forwarded from tier to tier until received by the Contractor referred to in paragraph 2.a. of this section. That contractor shall forward all disclosure forms to SEPTA.

3. Penalties

- a. Any person who makes an expenditure prohibited under 49 CFR part 20 shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such expenditure.
- b. Any person who fails to file or amend the disclosure form to be filed or amended if required by this clause, shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.
- c. Contractors may rely without liability on the representations made by their Subcontractors in the certification and disclosure form.

4. Cost allowability

Nothing in this clause is to be interpreted to make allowable or reasonable any revenues which would be unallowable or unreasonable in accordance with Part 31 of the Federal Acquisition Regulation. Conversely, revenues made specifically unallowable by the requirements in this clause will not be made allowable under any of the provisions of Part 31 of the Federal Acquisition Regulation.

Disadvantaged Business Enterprise (DBE)

Requirements

REQUEST FOR PROPOSAL WITHOUT DBE GOALS

Disadvantaged Business Enterprise (DBE) Participation solicitation and contract provisions pursuant to U. S. Department of Transportation regulations (Title 49 CFR part 26), FTA Circular 4716.1A, and SEPTA Policy are provided in this Section.

A. DBE CONTRACT GOALS

In connection with this solicitation and any resulting contract, SEPTA has not established a goal for Disadvantaged Business Enterprise (DBE) participation. This is in accordance with the DBE Regulations at 49 CFR part 26, which require SEPTA to attempt to use race-neutral means of obtaining DBE participation whenever possible.

B. DEFINITIONS

1. **"Affiliation"** has the same meaning the term has in the Small Business Administration regulations, 13 CFR part 121:
 - (a) Except as otherwise provided in 13 CFR part 121, concerns are affiliates of each other when, either directly or indirectly:
 - (1) one concern controls or has the power to control the other; or
 - (2) a third party or parties controls or has the power to control both; or
 - (3) an identity of interest between or among parties exists such that affiliation may be found.
 - (b) In determining whether affiliation exists, it is necessary to consider all appropriate factors, including common ownership, common management, and contractual relationships. Affiliates must be considered together in determining whether a concern meets small business size criteria and the statutory cap on the participation of firms in the DBE program.
2. **"Contract Sum"** means total contract price, including any change orders and amendments.
3. **"Disadvantaged Business Enterprise" or "DBE"** means a for-profit small business concern (a) that is at least fifty-one percent (51%) owned by one or more individuals who are both socially and economically disadvantaged or, in the case of a corporation, in which fifty-one percent (51%) of the stock is owned by one or more such individual(s); and (b) whose management and daily business operations are controlled by one or more of the socially and economically disadvantaged individuals who own it and is certified as such by SEPTA's DBE Program Office or by Pennsylvania's Unified Certification Program (PAUCP).

4. **"Joint Venture"** means an association of a DBE firm and one or more other firms to carry out a single, for-profit business enterprise, for which purpose they combine their property, capital, efforts, skills and knowledge, and in which the DBE is responsible for a distinct clearly defined portion of the work to be performed by the joint venture and whose share in the capital contribution, control, management, risks and profits of the joint venture are commensurate with its ownership interest (see paragraph D.5. below).

5. **"Small Business Concern"** means a small business concern as defined pursuant to Section 3 of the Small Business Act and Small Business Administration regulations implementing it (13 CFR part 121), that also does not exceed the following size determinations:
 - (a) to be an eligible DBE, a firm (including its affiliates) must be an existing for-profit small business, as defined by Small Business Administration (SBA) standards found in 13 CFR part 121 appropriate to the type(s) of work the firm seeks to perform in DOT-assisted contracts.
 - (b) In addition to the requirements of (a) above, a firm must also meet the annual gross receipts requirements defined in SBA regulations 13 CFR §121.402

6. **"Socially and Economically Disadvantaged Individuals"** means any individual who is a citizen (or lawfully admitted permanent resident) of the United States and who is:
 - (a) Any individual which SEPTA finds to be a socially and economically disadvantaged individual on a case-by-case basis.
 - (b) Any individual in the following groups, members of which are rebuttably presumed to be socially and economically disadvantaged:
 - (i) "Black Americans" which includes persons having origins in any of the Black racial groups of Africa;
 - (ii) "Hispanic Americans" which includes persons of Mexican, Puerto Rican, Cuban, Dominican, Central or South American, or other Spanish or Portuguese culture or origin, regardless of race;
 - (iii) "Native Americans" which includes persons who are American Indians, Eskimos, Aleuts, or Native Hawaiians;
 - (iv) "Asian-Pacific Americans" which includes persons whose origins are from Japan, China, Taiwan, Korea, Burma (Myanmar), Vietnam, Laos, Cambodia (Kampuchea), Thailand, Malaysia, Indonesia, the Philippines, Brunei, Samoa, Guam, the U. S. Trust Territories of the Pacific Islands (Republic of Palau), the Commonwealth of the Northern Marianas Islands, Macao, Fiji, Tonga, Kiribati, Tuvalu, Nauru, Federated States of Micronesia, or Hong Kong;
 - (v) "Subcontinent Asian Americans" which includes persons whose origins are from India, Pakistan, Bangladesh, Bhutan, the Maldives Islands, Nepal or Sri Lanka;
 - (vi) Women;
 - (vii) any additional groups whose members are designated as socially and economically disadvantaged by the SBA, at such time as the SBA designation becomes effective.

C. **SUBMISSION REQUIREMENTS**

1. In connection with this solicitation and any resulting contract, SEPTA has not established goals for Disadvantaged Business Enterprise (DBE) participation. This is in accordance with the DBE Regulations at 49 CRF §26.39, §26.51, which require SEPTA to attempt to use race-neutral means of obtaining DBE participation whenever possible. If your firm utilizes a certified DBE subconsultant/supplier, a dually executed DBE Participation Schedule which is attached must be submitted for each DBE subconsultant/supplier, with the Technical Proposal and include the following:

- (a) The name and address of the DBE firm that will participate in the Contract.
- (b) A description of the work that the DBE will perform
- (c) The percent of the participation of the DBE firm participating

The Proposer is required to submit a properly executed DBE Participation Schedule for each DBE subconsultant/supplier identified to participate in the Contract.

Within forty-eight (48) hours from notification by SEPTA< Proposer is required to submit a Commitment/Confirmation document for each DBE firm scheduled to participate. The Commitment/Confirmation document represents:

- (a) The proposer's commitment to use a DBE subconsultant/supplier whose participation it submitted to meet a contract goal; and
- (b) The DBE subconsultant/supplier's confirmation that it is participating in the Contract as provided in the Proposer's commitment.
- (c) If the contract goal is not met, Proposer must provide evidence of its Good Faith Efforts in accordance with Paragraph E. Determination of DBE Responsibility.

In accordance with 49 CFR §26.39 (Fostering Small Business Participation), the Proposer is also required to identify all other subconsultants/suppliers scheduled to participate in the Contract by submitting the attached Non-DBE Participation Schedule with their Technical Proposal.

Any questions regarding DBE and or SBE Participation should be directed to SEPTA's DBE Program Office at (215) 580-7278.

2. The requirements of this section also apply to DBE Proposers for prime contracts. In determining whether a DBE Proposer for a prime contract has met a Contract goal, the work the DBE has committed to perform with its own forces as well as the work it has committed to be performed by DBE subconsultants and DBE suppliers will be counted.
3. SEPTA's DBE Program Office will provide upon request SEPTA's DBE Directory. The DBE Directory is revised on a continual basis; i.e., at least weekly, and identifies all firms eligible to participate as DBEs in SEPTA's program. Additionally, interested persons can obtain access to a state-wide combined directory through SEPTA's membership in the Pennsylvania Unified Certification Program (PAUCP) at <http://www.paucp.com>. These DBE directories list the firm's name, address, phone number, fax number, email address and the types of work the firm has been certified to perform as a DBE.

D. **DETERMINATION OF PERCENTAGE OF DBE PARTICIPATION**

DBE participation shall be credited toward achieving the DBE Goal as follows:

1. When a DBE participates in a contract, only the value of the work actually performed by the DBE will be counted toward DBE goals.
2. SEPTA will count the entire amount of that portion of a construction contract (or other contract covered by paragraph D.3. below) that is performed by the DBE's own forces, including the cost of supplies and materials obtained by the DBE for the work of the contract, and supplies purchased or equipment leased by the DBE (except supplies and equipment the DBE subconsultant purchases or leases from the prime contractor or its affiliates).
3. SEPTA will count the entire amount of fees or commissions charged by a DBE firm for providing a bona fide service, such as professional, technical, consultant, or managerial services, or for providing bonds or insurance specifically required for the performance of the contract, toward DBE goals, provided SEPTA determines the fee to be reasonable and not excessive as compared with fees customarily allowed for similar services.
4. When a DBE subcontracts part of the work of its contract to another firm, the value of the subcontracted work may be counted toward DBE goals only if the DBE's subconsultant is itself a DBE. Work that a DBE subcontracts to a non-DBE firm does not count toward DBE goals.
5. When a DBE performs as a participant in a joint venture, SEPTA will count a portion of the total value of the contract equal to the distinct, clearly defined portion of the work of the contract that the DBE performs with its own forces toward DBE goals.
6. SEPTA will count expenditures to a DBE contractor toward DBE goals only if the DBE is performing a commercially useful function on that contract, as determined by SEPTA's DBE Program Office.
 - (a) A DBE is considered to perform a commercially useful function when it is responsible for execution of a specific scope of work in a contract and is carrying out its responsibilities by actually performing, managing, and supervising the work involved. To perform a commercially useful function, the DBE must also be responsible, with respect to materials and supplies used on the contract, for negotiating price, determining quality and quantity when ordering the material, and installing (where applicable) and paying for the material itself. To determine whether a DBE is performing a commercially useful function, SEPTA will evaluate the amount of work subcontracted; industry practices; whether the amount the firm is to be paid under the contract is commensurate with the work it is actually performing; and the DBE credit claimed for its performance of the work and other relevant factors.

- (b) A DBE does not perform a commercially useful function if its role is limited to that of an extra participant in a transaction, contract, or project through which funds are passed in order to obtain the appearance of DBE participation. In determining whether a DBE is such an extra participant, SEPTA will examine similar transactions, particularly those in which DBEs do not participate.
 - (c) If a DBE does not perform or exercise responsibility for at least 30 percent of the total cost of its contract with its own work force, or the DBE subcontracts a greater portion of the work of a contract than would be expected on the basis of normal industry practice for the type of work involved, SEPTA will presume that the DBE is not performing a commercially useful function.
 - (d) When a DBE is presumed not to be performing a commercially useful function, SEPTA will accept evidence from the DBE or prime contractor to rebut this presumption. Evidence from independent sources, such as trade journals or independent studies by consultants, is particularly desirable in such circumstances.
7. SEPTA will use the following factors in determining whether a DBE trucking company is performing a commercially useful function:
- (a) The DBE must be responsible for the management and supervision of the entire trucking operation for which it is responsible on a particular contract, and there cannot be a contrived arrangement for the purpose of meeting DBE goals.
 - (b) The DBE must itself own and operate at least one fully licensed, insured, and operational truck used on the Contract.
 - (c) The DBE receives credit for the total value of the transportation services it provides on the Contract using trucks it owns, insures, and operates using drivers it employs.
 - (d) The DBE may lease trucks from another DBE firm, including an owner-operator who is certified as a DBE. The DBE who leases trucks from another DBE receives credit for the total value of the transportation services the lessee DBE provides on the Contract.
 - (e) The DBE may also lease trucks from a non-DBE firm, including an owner-operator. The DBE who leases trucks from a non-DBE is entitled to credit for the total value of transportation services provided by non-DBE lessees not to exceed the value of transportation services provided by DBE-owned trucks on the contract. The DBE does not receive credit for the total value of the transportation services provided by the lessee, since these services are not provided by a DBE.
 - (f) For purposes of this paragraph D.7., a lease must indicate that the DBE has exclusive use of and control over the truck. This does not preclude the leased truck from working for others during the term of the lease with the consent of the DBE, so long as the lease gives the DBE absolute priority for use of the leased truck. Leased trucks must display the name and identification number of the DBE.
8. SEPTA will count expenditures with DBEs for materials or supplies toward DBE goals

as provided in the following:

- (a) If the materials or supplies are obtained from a DBE manufacturer, count 100% of the cost of the materials and supplies toward DBE goals. For purposes of this section, a "manufacturer" is a firm that operates or maintains a factory or establishment that produces, on the premises, the materials, supplies, articles, or equipment required under the Contract and of the general character described by the Specifications.
 - (b) If the materials or supplies are purchased from a DBE Regular Dealer count 60% of the cost of the materials and supplies toward DBE goals. For purposes of this section, a "regular dealer" is a firm that owns, operates, or maintains a store, warehouse, or other establishment in which the materials, supplies, articles or equipment of the general character described by the Specifications and required under the Contract are brought, kept in stock, and regularly sold to the public in the usual course of business. To be a regular dealer, the firm must be an established, regular business that engages, as its principal business and under its own name, in the purchase and sale or lease of the products in question. A person may be a regular dealer in such bulk items as petroleum products, steel, cement, gravel, stone, or asphalt without owning, operating, or maintaining a place of business as previously provided if the person both owns and operates distribution equipment. Any supplementing of regular dealers' own distribution equipment shall be by a long-term lease and not on an ad hoc or contract-by-contract basis. Packers, brokers, manufacturers' representatives, or other persons who arrange or expedite transactions are not regular dealers within the meaning of this paragraph.
 - (c) With respect to materials or supplies purchased from a DBE which is neither a manufacturer nor a regular dealer, SEPTA will only count the entire amount of fees or commissions charged for assistance in the procurement of the materials and supplies, or fees or transportation charges for the delivery of materials or supplies required on a job site, toward DBE goals, provided SEPTA determines the fees to be reasonable and not excessive as compared with fees customarily allowed for similar services. No portion of the cost of the materials and supplies themselves will be counted towards DBE goals.
9. SEPTA will not count the participation of a DBE subconsultant toward the prime contractor's DBE achievements until the amount being counted toward the goal has been paid to the DBE.

E. **DBE MODIFICATION(S) OR SUBSTITUTION(S)**

1. If after award a DBE subconsultant included on the DBE Participation Schedule submitted to SEPTA, is terminated, or fails to complete its work on the Contract for any reason, SEPTA must be notified within 48 hours.
2. If after award of the Contract, a DBE subconsultant is terminated, or fails to complete its work on the Contract for any reason, SEPTA will require the prime contractor to make good faith efforts to find another DBE subconsultant to substitute for the original DBE.

These good faith efforts shall be directed at finding another DBE to perform at least the same dollar value of work under the Contract as the DBE that was terminated, to the extent needed to meet the Contract goal established by SEPTA.

F. **REPORTING AND RECORDKEEPING REQUIREMENTS**

To ensure that all obligations under the contracts awarded to DBEs are met, SEPTA's DBE Program Office shall monitor the Contractor's performance during the life of the Contract.

1. Upon execution of its SEPTA contract, the Contractor shall enter into written subcontract agreement(s) with the DBE(s) listed in its DBE Participation Schedule. Copies of the Contractor's executed subcontract agreement(s) with DBEs shall be provided to SEPTA's DBE Program Office by the Contractor immediately upon execution.
2. The Contractor shall submit a work schedule outlining when the DBE subconsultant(s) will commence and complete work on the project, at such times as prescribed by SEPTA's DBE Program Office
3. The Contractor shall keep a regular accounting of actual expenditures of funds made under all contract an subcontract agreements with DBEs; specifically, an accounting of the actual amount of DBE expenditures for each contract. **The Contractor shall submit a DBE Invoice Payment Report to SEPTA with each invoice or request for payment from SEPTA.**
4. The Contractor shall submit monthly reports of actual contract expenditures to DBE's by the Contractor. This information must be submitted electronically via SEPTA's website (<http://bizweb.septa.org/bizwebsepta>).
5. The Contractor and subconsultant(s) shall permit access to their books, records and accounts by SEPTA (or its designated representative) or the Federal Transit Administration (FTA) for the purpose of investigation to ascertain compliance with these specified requirements. Such records shall be maintained by the Contractor in a fashion which is readily assessable to SEPTA and/or the FTA for a minimum of five (5) years following completion of this Contract.
6. With regard to any claim or dispute with respect to payment of a subconsultant at any tier, Contractor expressly agrees to defend, indemnify and hold SEPTA harmless in the event any suit is brought on account of a dispute between any of the parties including but not limited to subconsultant(s), supplier(s) and material men and in particular, Contractor shall assume the defense affirmatively at its sole cost whenever such suit is brought in any jurisdiction.

G. **FTA DBE AUDIT REQUIREMENT – DBE INVOICE PAYMENT REPORT**

The Contractor shall keep a regular accounting of actual expenditures of funds made under all contract and subcontract agreements with DBEs, specifically, an accounting of the actual amount of DBE expenditures for each contract.

H. **MISCELLANEOUS**

The Contractor is encouraged to utilize the services of financial institutions owned and controlled by socially and economically disadvantaged individuals as defined at 49 CFR part 26.5.

Commonwealth of Pennsylvania Contract Requirements

Commonwealth of Pennsylvania Contract Requirements

DEFINITIONS:

- A. For the purpose of these provisions, the term **Contractor** is defined as any person, including, but not limited to, a bidder, offeror, supplier, or subgrantee, who will furnish or perform or seeks to furnish or perform, goods, supplies, services, construction or other activity, under a purchase order, contract, or subgrant with SEPTA.

SR-1 Nondiscrimination/Sexual Harassment Clause.

A. APPLICABILITY

This article applies to all purchase orders and contracts.

B. The contractor agrees:

In the hiring of any employee(s) for the manufacture of supplies, performance of work, or any other activity required under any subgrant agreement, contract, or subcontract, a subgrantee, a contractor, a subcontractor, or any person acting on behalf of SEPTA shall not discriminate in violation of the Pennsylvania Human Relations Act (PHRA) and applicable federal laws against any citizen of this Commonwealth who is qualified and available to perform the work to which the employment relates.

Any subgrantee, contractor or any subcontractor or any person on their behalf shall not in any manner discriminate in violation of the PHRA and applicable federal laws against or intimidate any of its employees.

Any subgrantee, contractor or any subcontractor shall establish and maintain a written nondiscrimination and sexual harassment policy and shall inform their employees of the policy. The policy must contain a provision that sexual harassment will not be tolerated and employees who practice it will be disciplined. Posting this Nondiscrimination/Sexual Harassment Clause conspicuously in easily-accessible and well-lighted places customarily frequented by employees and at or near where the grant services are performed shall satisfy this requirement.

Any subgrantee, contractor or any subcontractor shall not discriminate in violation of the PHRA and applicable federal laws against any subgrantee, contractor, subcontractor or supplier who is qualified to perform the work to which the grant relates.

Each subgrantee, contractor and subcontractor represents that it is presently in compliance with and will maintain compliance with all applicable federal, state, and local laws and regulations relating to nondiscrimination and sexual harassment. Each subgrantee, contractor and subcontractor further represents that it has filed a Standard Form 100 Employer Information Report (“EEO-1”) with the U.S. Equal Employment Opportunity Commission (“EEOC”) and shall file an annual EEO-1 report with the EEOC as required for employers subject to Title VII of the Civil Rights Act of 1964, as amended, that have 100 or more employees and employers that have federal government contracts or first-tier subcontracts and have 50 or more employees. Any subgrantee, any contractor or any subcontractor shall, upon request and within the time periods requested by SEPTA, furnish all necessary employment documents and records, including EEO-1 reports, and permit access to their books, records, and accounts by the granting agency and the Bureau of Small Business Opportunities (BSBO), for the purpose of ascertaining compliance with the provisions of this Nondiscrimination/Sexual Harassment Clause.

Any subgrantee, contractor or any subcontractor shall include the provisions of this Nondiscrimination/Sexual Harassment Clause in every subgrant agreement, contract or subcontract so that those provisions applicable to subgrantees, contractors or subcontractors will be binding upon each subgrantee, contractor or subcontractor.

Each subgrantee’s, contractor’s and subcontractor’s obligations pursuant to these provisions are ongoing from and after the effective date of the agreement through the termination date thereof. Each subgrantee, contractor and subcontractor shall have an obligation to inform the SEPTA if, at any time during the term of the agreement, it becomes aware of any actions or occurrences that would result in violation of these provisions.

SEPTA may cancel or terminate the agreement and all money due or to become due under the agreement may be forfeited for a violation of the terms and conditions of this Nondiscrimination/Sexual Harassment Clause. In addition, the SEPTA may proceed with debarment or suspension and may place the subgrantee, contractor, or subcontractor in the Contractor Responsibility File.

SR-2 ADA Provision

A. APPLICABILITY

This article applies to all purchase orders and contracts.

B. During the term of this agreement, the contractor agrees as follows:

Pursuant to federal regulations promulgated under the authority of the Americans with Disabilities Act, 28 C. F. R. § 35.101 et seq., the contractor understands and agrees that no individual with a disability shall, on the basis of the disability, be excluded from participation in this agreement or from activities provided for under this agreement. As a condition of accepting and executing this agreement, the contractor agrees to comply

with the "General Prohibitions Against Discrimination," 28 C. F. R. § 35.130, and all other regulations promulgated under Title II of the Americans with Disabilities Act which are applicable to the benefits, services, programs, and activities provided by SEPTA through contracts with contractors.

The contractor shall be responsible for and agrees to indemnify and hold harmless SEPTA from all losses, damages, expenses, claims, demands, suits, and actions brought by any party against the Commonwealth as a result of the contractor's failure to comply with the provisions of the above paragraph.

SR-3 Contractor Integrity Provisions.

A. APPLICABILITY

It is essential that those who seek to contract with SEPTA observe high standards of honesty and integrity. They must conduct themselves in a manner that fosters public confidence in the integrity of SEPTA's contracting and procurement process.

DEFINITIONS. For purposes of these Contractor Integrity Provisions, the following terms shall have the meanings found in this Section:

"Affiliate" means two or more entities where (a) a parent entity owns more than fifty percent of the voting stock of each of the entities; or (b) a common shareholder or group of shareholders owns more than fifty percent of the voting stock of each of the entities; or (c) the entities have a common proprietor or general partner.

"Consent" means written permission signed by a duly authorized officer or employee of SEPTA, provided that where the material facts have been disclosed, in writing, by prequalification, bid, proposal, or contractual terms, SEPTA shall be deemed to have consented by virtue of the execution of this contract.

"Contractor" means the individual or entity, that has entered into this contract with SEPTA.

"Contractor Related Parties" means any affiliates of the Contractor and the Contractor's executive officers, Pennsylvania officers and directors, SEPTA's Board members or owners of 5 percent or more interest in the Contractor.

"Financial Interest" means either:

- (1) Ownership of more than a five percent interest in any business; or
- (2) Holding a position as an officer, director, trustee, partner, employee, or holding any position of management.

"Gratuity" means tendering, giving, or providing anything of more than nominal monetary value including, but not limited to, cash, travel, entertainment, gifts, meals, lodging, loans, subscriptions, advances, deposits of money, services, employment, or contracts of any kind. The exceptions set forth in the Governor's Code of Conduct,

Executive Order 1980-18, the 4 Pa. Code §7.153(b), shall apply.

“**Non-bid Basis**” means a contract awarded or executed by SEPTA with Contractor without seeking bids or proposals from any other potential bidder or offeror.

B. In furtherance of this policy, Contractor agrees to the following:

Contractor shall maintain the highest standards of honesty and integrity during the performance of this contract and shall take no action in violation of state or federal laws or regulations or any other applicable laws or regulations, or other requirements applicable to Contractor or that govern contracting or procurement with SEPTA.

Contractor shall establish and implement a written business integrity policy, which includes, at a minimum, the requirements of these provisions as they relate to the Contractor activity with the SEPTA and SEPTA employees and which is made known to all Contractor employees. Posting these Contractor Integrity Provisions conspicuously in easily-accessible and well- lighted places customarily frequented by employees and at or near where the contract services are performed shall satisfy this requirement.

Contractor, its affiliates, agents, employees and anyone in privity with Contractor shall not accept, agree to give, offer, confer, or agree to confer or promise to confer, directly or indirectly, any gratuity or pecuniary benefit to any person, or to influence or attempt to influence any person in violation of any federal or state law, regulation, executive order of the Governor of Pennsylvania, statement of policy, management directive or any other published standard of the Commonwealth in connection with performance of work under this contract, except as provided in this contract.

Contractor shall not have a financial interest in any other contractor, subcontractor, or supplier providing services, labor, or material under this contract, unless the financial interest is disclosed to SEPTA in writing and SEPTA consents to Contractor’s financial interest prior to SEPTA’s execution of the contract. Contractor shall disclose the financial interest to SEPTA at the time of bid or proposal submission, or if no bids or proposals are solicited, no later than Contractor’s submission of the contract signed by Contractor.

Contractor certifies to the best of its knowledge and belief that within the last five (5) years Contractor or Contractor Related Parties have not:

- (1) been indicted or convicted of a crime involving moral turpitude or business honesty or integrity in any jurisdiction;
- (2) been suspended, debarred or otherwise disqualified from entering into any contract with any governmental agency;
- (3) had any business license or professional license suspended or revoked;

- (4) had any sanction or finding of fact imposed as a result of a judicial or administrative proceeding related to fraud, extortion, bribery, bid rigging, embezzlement, misrepresentation or anti-trust; and
- (5) been, and is not currently, the subject of a criminal investigation by any federal, state or local prosecuting or investigative agency and/or civil anti-trust investigation by any federal, state or local prosecuting or investigative agency.

If Contractor cannot so certify to the above, then it must submit along with its bid, proposal or contract a written explanation of why such certification cannot be made and SEPTA will determine whether a contract may be entered into with the Contractor. The Contractor's obligation pursuant to this certification is ongoing from and after the effective date of the contract through the termination date thereof. Accordingly, the Contractor shall have an obligation to immediately notify SEPTA in writing if at any time during the term of the contract it becomes aware of any event which would cause the Contractor's certification or explanation to change. Contractor acknowledges that SEPTA may, in its sole discretion, terminate the contract for cause if it learns that any of the certifications made herein are currently false due to intervening factual circumstances or were false or should have been known to be false when entering into the contract.

Contractor shall comply with the requirements of the Lobbying Disclosure Act (65 Pa.C.S. §13A01 et seq.) regardless of the method of award. If this contract was awarded on a Non-bid Basis, Contractor must also comply with the requirements of the Section 1641 of the Pennsylvania Election Code (25 P.S. §3260a).

When Contractor has reason to believe that any breach of ethical standards as set forth in law, the Governor's Code of Conduct, or these Contractor Integrity Provisions has occurred or may occur, including but not limited to contact by a SEPTA officer or employee which, if acted upon, would violate such ethical standards, Contractor shall immediately notify the SEPTA contracting officer or SEPTA's Office of the Inspector General in writing.

Contractor, by submission of its bid or proposal and/or execution of this contract and by the submission of any bills, invoices or requests for payment pursuant to the contract, certifies and represents that it has not violated any of these Contractor Integrity Provisions in connection with the submission of the bid or proposal, during any contract negotiations or during the term of the contract, to include any extensions thereof. Contractor shall immediately notify SEPTA in writing of any actions for occurrences that would result in a violation of these Contractor Integrity Provisions. Contractor agrees to reimburse SEPTA for the reasonable costs of investigation incurred by SEPTA's Office of the Inspector General for investigations of the Contractor's compliance with the terms of this or any other agreement between the Contractor and SEPTA that results in the suspension or debarment of the Contractor. Contractor shall not be responsible for investigative costs for investigations that do not result in the Contractor's suspension or debarment.

Contractor shall cooperate with the Commonwealth's Office of the Inspector General in its investigation of any alleged Commonwealth agency or employee breach of ethical

standards and any alleged Contractor non-compliance with these Contractor Integrity Provisions. Contractor agrees to make identified Contractor employees available for interviews at reasonable times and places. Contractor, upon the inquiry or request of an Inspector General, shall provide, or if appropriate, make promptly available for inspection or copying, any information of any type or form deemed relevant by the Office of the State Inspector General to Contractor's integrity and compliance with these provisions. Such information may include, but shall not be limited to, Contractor's business or financial records, documents or files of any type or form that refer to or concern this contract. Contractor shall incorporate this paragraph in any agreement, contract or subcontract it enters into in the course of the performance of this contract/agreement solely for the purpose of obtaining subcontractor compliance with this provision. The incorporation of this provision in a subcontract shall not create privity of contract between SEPTA and any such subcontractor, and no third party beneficiaries shall be created thereby.

For violation of any of these Contractor Integrity Provisions SEPTA may terminate this and any other contract with Contractor, claim liquidated damages in an amount equal to the value of anything received in breach of these Provisions, claim damages for all additional costs and expenses incurred in obtaining another contractor to complete performance under this contract, and debar and suspend Contractor from doing business with SEPTA and the Commonwealth. These rights and remedies are cumulative, and the use or non-use of any one shall not preclude the use of all or any other. These rights and remedies are in addition to those the Commonwealth may have under law, statute, regulation, or otherwise.

SR-4 Contractor Responsibility.

A. APPLICABILITY

This article applies to all purchase orders and contracts.

B. For the purpose of these provisions, the term “Contractor” is defined as any person, including, but not limited to, a bidder, offeror, loan recipient, grantee, or subgrantee, who has furnished or seeks to furnish goods, supplies, services, or leased space, or who has performed or seeks to perform construction activity under contract, subcontract, grant, or subgrant with the Commonwealth, or with a person under institutions. The term “Contractor” may include a permittee, licensee, or any agency, political subdivision, instrumentality, public authority, or other entity of the Commonwealth.

1. The Contractor must certify, in writing, for itself and all its subcontractors, that as of the date of its execution of any Commonwealth contract, that neither the Contractor, nor any subcontractors, nor any suppliers are under suspension or debarment by the Commonwealth or any governmental entity, instrumentality, or authority and, if the Contractor cannot so certify, then it agrees to submit, along with the bid/proposal, a written explanation of why such certification cannot be made.
2. The Contractor must also certify, in writing, that as of the date of its execution of any

Commonwealth contract, it has no tax liabilities or other Commonwealth obligations.

3. The Contractor's obligations pursuant to these provisions are ongoing from and after the effective date of the contract through the termination date thereof. Accordingly, the Contractor shall have an obligation to inform the contracting agency if, at any time during the term of the contract, it becomes delinquent in the payment of taxes, or other Commonwealth obligations, or if it or any of its subcontractors are suspended or debarred by the Commonwealth, the federal government, or any other state governmental entity. Such notification shall be made within 15 days of suspension or debarment.
4. The failure of the Contractor to notify the contracting agency of its suspension or debarment by the Commonwealth, any other state, or the federal government shall constitute an event of default of the Contract with the Commonwealth.
5. The Contractor agrees to reimburse the Commonwealth for reasonable costs of investigation incurred by the Office of the Inspector General for investigations of the Contractor's compliance with the terms of this or any other agreement between the Contractor and the Commonwealth, which results in the suspension or debarment of the Contractor. Such costs shall include, but shall not be limited to, salaries of investigators, including overtime; travel and lodging expenses; and expert witness and documentary fees. The Contractor shall not be responsible for investigative costs for investigations which do not result in the Contractor's suspension or debarment.
6. The Contractor may obtain the current list of suspended and debarred Commonwealth Contractors by either searching the Internet at <http://www.dgs.state.pa.us/debarment.htm> or contacting the:

A. APPLICABILITY

This article applies to all purchase orders and contracts.

- B. Subgrantee or Contractor understands that this Agreement and records related to or arising out of the Agreement are subject to requests made pursuant to the Pennsylvania Right-to-Know Law, 65 P.S. §§ 67.101-3104, ("RTKL").

If SEPTA needs the Subgrantee's or Contractor's assistance in any matter arising out of the RTKL related to this Agreement, it shall notify the Subgrantee or Contractor using the legal contact information provided in the Agreement. The Subgrantee or Contractor, at any time, may designate a different contact for such purpose upon reasonable prior written notice to SEPTA.

Upon written notification from SEPTA that it requires Subgrantee's or Contractor's assistance in responding to a request under the RTKL for information related to this Agreement that may be in Subgrantee's or Contractor's possession, constituting, or alleged to constitute, a public record in accordance with the RTKL ("Requested Information"), Subgrantee or Contractor shall:

- (1) Provide SEPTA, within ten (10) calendar days after receipt of written notification, access to, and copies of, any document or information in Subgrantee's or Contractor's possession arising out of this Agreement that SEPTA reasonably believes is Requested Information and may be a public record under the RTKL; and

- (2) Provide such other assistance as SEPTA may reasonably request, in order to comply with the RTKL with respect to this Agreement.

If Subgrantee or Contractor considers the Requested Information to include a request for a Trade Secret or Confidential Proprietary Information, as those terms are defined by the RTKL, or other information that Subgrantee or Contractor considers exempt from production under the RTKL, Subgrantee or Contractor must notify SEPTA and provide, within seven (7) calendar days of receiving the written notification, a written statement signed by a representative of Subgrantee or Contractor explaining why the requested material is exempt from public disclosure under the RTKL.

SEPTA will rely upon the written statement from Subgrantee or Contractor in denying a RTKL request for the Requested Information unless SEPTA determines that the Requested Information is clearly not protected from disclosure under the RTKL. Should SEPTA determine that the Requested Information is clearly not exempt from disclosure, Subgrantee or Contractor shall provide the Requested Information within five (5) business days of receipt of written notification of SEPTA's determination.

If Subgrantee or Contractor fails to provide the Requested Information within the time period required by these provisions, Subgrantee or Contractor shall indemnify and hold SEPTA harmless for any damages, penalties, costs, detriment or harm that SEPTA may incur as a result of Subgrantee's or Contractor's failure, including any statutory damages assessed against SEPTA.

SEPTA will reimburse Subgrantee or Contractor for any costs associated with complying with these provisions only to the extent allowed under the fee schedule established by the office of Open Records or as otherwise provided by the RTKL if the fee schedule is inapplicable.

Subgrantee or Contractor may file a legal challenge to any SEPTA decision to release a record to the public with the Office of Open Records, or in the Pennsylvania Courts, however, Subgrantee or Contractor shall indemnify SEPTA for any legal expenses incurred by SEPTA as a result of such a challenge and shall hold SEPTA harmless for any damages, penalties, costs, detriment or harm that SEPTA may incur as a result of Subgrantee's or Contractor's failure, including any statutory damages assessed against SEPTA, regardless of the outcome of such legal challenge. As between the parties, Subgrantee or Contractor agrees to waive all rights or remedies that may be available to it as a result of SEPTA's disclosure of Requested Information pursuant to the RTKL.

The Subgrantee's or Contractor's duties relating to the RTKL are continuing duties that survive the expiration of this Agreement and shall continue as long as the Subgrantee or Contractor has Requested Information in its possession.

3. The Contractor will send to each Labor Union or Representative of workers with which he/she has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said Labor Union or Worker's Representative of the Contractor's commitments under this Attachment, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
4. The Contractor will comply with all Affirmative Action provisions of the Contract.
5. The Contractor will furnish all information and reports required by SEPTA and will permit access to its books, records, and accounts by the EEO Compliance Officer for purposes of investigation to ascertain compliance with such rules, regulations and orders.
6. In the event of the Contractor's noncompliance with the nondiscrimination clause of the Contract, the Contract may be cancelled, terminated, or suspended in whole or in part and the Contractor may be declared ineligible for further SEPTA contracts.
7. The Contractor will include the portion of the sentence immediately preceding Paragraph 1 and the provisions of paragraph 1 through 8 in every subcontract or purchase order so that such provisions shall be binding upon each subconsultant or vendor. The Contractor will take such action with respect to any subcontract or purchase order as SEPTA may direct as a means of enforcing such provisions, including sanctions for noncompliance.
8. The Contractor shall have an Affirmative Action Plan declaring that it does not discriminate on the basis of race, color, religion, creed, national origin or sex and specifying minority and female goals to assure implementation of the Plan.
