

THE PHILADELPHIA ENERGY CAMPAIGN | AT A GLANCE

A PLATFORM FOR JOB CREATION, ENERGY EFFICIENCY, AND CLEAN ENERGY

Launched in 2016, the Energy Campaign is a neighborhood-driven program to create jobs, strengthen communities, cut energy bills and reduce Philadelphia's carbon footprint by investing in energy efficiency and clean energy projects citywide. It prioritizes creating equitable access to the benefits of a robust local clean energy economy.

10-YEAR

PROGRAM DEVELOPING ENERGY PROJECTS

\$1 BILLION
