

Philadelphia Solar Rebate Print Application Form

Please mail this application to the Philadelphia Energy Authority (PEA), City Hall Room 566, 1400 John F Kennedy Blvd, Philadelphia, PA 19107. All the fields marked with an asterisk (*) are required. Applications may also be submitted online. The online form can be found at phila.gov/solar-rebate. Contact PEA with questions at SolarRebate@philaenergy.org or at 215-686-4483.

PEA will review applications in the order in which they are received and will process payments in 4-6 weeks, if funds are available. PEA will mail you a check for the rebate amount, if approved. If insufficient funds are available, your application will be considered at the start of the next fiscal year.

Please indicate whether this is an application for a residential or commercial project.*

HOUSEHOLD INCOME (residential projects only)

The City is committed to reaching households of all income levels with the Solar Rebate. Please report the total income of your household (even if you do not occupy the property).

Number of people living in household*

Annual gross household income (*before taxes*)* \$

10% of funds will be set aside for low- and moderate-income households that are earning at or below 80% Area Median Income (AMI) (*see table below*).

Household Size	80% of 2019 Area Median Income
1	\$50,500
2	\$57,700
3	\$64,900
4	\$72,100
5	\$77,900
6	\$83,650
7	\$89,450
8	\$95,200

Is your household income less than or equal to 80% of AMI?*

Yes No

If you answered yes, select one of the options below to indicate how you will demonstrate your eligibility for the set aside funds. If you don't verify your income within 2 weeks of submitting your application, you may still receive a Rebate, but your application will not be prioritized.

Bring your evidence of income in-person to one of the Energy Coordinating Agency's [Neighborhood Energy Centers](#).

Provide evidence of your enrollment in another assistance program with an income cap that is at or below 80% AMI. (You can attach the documents to this application.)

Demonstrate that you went solar through PEA's Special Financing Pilot.

CERTIFICATION OF COMPLIANCE AND SIGNATURE (REQUIRED)

I hereby certify that the following statements are true to the best of my knowledge:

I own the property where solar PV is installed, and the property is located in the geographic boundaries of the city of Philadelphia.*

I am current with or in a payment agreement for all taxes and other indebtedness to the City.*

I do not have any unresolved building code or other property related code violations.*

Please confirm that you understand the following:

If the system does not remain in operation for 36 months following the date of installation, the City may request repayment of the Rebate.*

If the system produces less than 80% of the electricity projected in this application on an annual basis during the first three years of operation, the City may request repayment of the Rebate.*

Commercial Projects only- I will submit an annual Production Report (reporting on monthly production for the previous 12 months) no later than 13 months after receiving the Solar Rebate and every year thereafter for three years. *

All Projects- I understand that the City may request a system production report periodically.*
