

## PEA Solar Lab RFPs Amendment April 22, 2021

For each of the solar lab RFPs

- PEA Solar Lab Window RFP\_20210326
- PEA Solar Lab HVAC RFP\_20210326
- PEA Solar Lab Electrical RFP\_20210326

**3.3.D. Cost Proposal add the following to the paragraph:** “The line items must include, if relevant to the bid: equipment (for each item over \$5,000 provide cost per item), materials, labor (number of hours and hourly rates), inspection, permit fees (which will be waived by L+I with a School District of Philadelphia waiver) and other items.”

The RFP named “PEA Solar Lab Window RFP\_20210326” is amended as follows:

**Section 3.3.A add 4<sup>th</sup> bullet:** “Proposals should respond to the specifications on the drawing “Appendix A Drawings and Specifications” pages A2.0 and A2.1. Please include an alternate allowance and narrative for repair of unforeseen conditions to the masonry and steel lintel. The security screen and window finish should match existing windows in proximity to the new window.”
