

Philadelphia Wastewater Treatment Plants GESA Data Request Responses

Created: 3/11/2025

Per request and to help better inform proposals, the documents listed in the table below have been made available, via a shared folder. This shared folder link has been e-mailed to Walk-Through registrants and entities who have submitted LOIs for the Philadelphia Wastewater Treatment Plants GESA Request for Proposals and linked to the primary RFP webpage. Additional documents, protected by a signed NDA, were shared with individuals who signed an NDA by required deadline.
